[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[From [bounty land records in the Library of Virginia](#)]

This is to Certify that Timothy Kelley was enlisted by Captain Francis [last name too faint to discern] into my Regiment the 17th day of July 1777 for 3 years and that he marched with the Troops to the southward from this state in the year 1780 – I have good reason to believe [he] was taken Prisoner at Charlestown [Charleston, May 12, 1780]. I also certify that he is now – was at the time of his enlistment – an inhabitant of this state, and all to be considered for this state's quota.

Given under my hand this 6th day of May 1784
