[From [rejected pension records in the Library of Virginia](#)]

I Carter Croxton¹ a resident of Essex County aged 72 years do hereby certify that I was well acquainted with Nathaniel Quarles of King William County and was in the revolutionary Army with him, the said Nathaniel Quarles, and know that he served as an Ensign in the Army of the United States, in which he served 3 years. Given under my hand this 7th day of December 1833

S/ Carter Croxton, Senr.

Petition for Bounty Land

Nathaniel Quarles – Ensign Va. C. L. [Virginia Continental Line]

I have not seen this officer's name on any list of officers, except the "roll of resigned & supernumerary officers of the Virginia Continental & State Troops" – He is there mentioned as Ensign: and it does not appear whether he had resigned, or was a supernumerary.

Three witnesses of respectability – Carter Croxton – Alexander C Shackelford and Eliza M. Quarles – prove that Nathaniel Quarles was Ensign in the Virginia Continental line and served three years, in that character.

Another witness James Jones says that Nathaniel Quarles was in the Continental service, in the war of the Revolution; that he enlisted for 3 years, and that he was at one time an orderly Sergeant, in the company of Captain Gray of the 15th Regiment –

Respectfully submitted
