[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

At Rockbridge County Court August 1814

Henry Horn appeared in court and made oath that he enlisted as a Regular Soldier during the Revolutionary war for the Term of three years under Captain Isaac Bell<sup>1</sup> of the [image compromised and illegible word or number] Virginia Regiment on Continental establishment, that he served out the said Term of his enlistment faithfully and was discharged by his commanding Officers, that he was promised at the time of his Enlistment, and all during his continuance in Service, a bounty in lands; but that he has never obtained it, nor warrant therefore, that he never transferred or in any wise disposed of his said claim to Land to any person whatever, that he is now Eighty one years of age and although infirm has no other dependence for support than his own present industry but he has not heretofore made application for the bounty in Land due him because until lately he has been able to support himself; and of his ignorance how (or to whom) to apply. He further states that he has lost or mislaid his discharge.

John McCoy also appeared in court and made oath that he knows the above mentioned Henry Horn did enlist as a Regular Soldier during the Revolutionary war for the term of three [The image of this document cuts off at the bottom thereof at this point] [next page] stated, and that he verily believes that he served out the full Term of his Enlistment which is ordered to be certified

<sup>1</sup> I found no such officer listed in Gwathmey. An Isaac Beal (or Beale) is listed as being a captain in the Berkeley County militia.
