Bounty Land Warrant information relating to Samuel Hubbard VAS1637

vsl 3

Transcribed by Will Graves

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

I certify that I personally knew Samuel Hubbard in the first Virginia Regiment from the early part of the fall 1775 to the fall of 1780. That he was frequently under my command in the interval before mentioned, and that in the fall of 1780 I sent him forward to General Green's [Nathanael Greene's] Army, and know nothing respecting his services after that period excepting from hearsay, which announced his being taken prisoner in South Carolina. Given under my hand this 5th day of September 1795

I do Certify that Samuel Hubbard enlisted under William Lewis second Lieutenant under Captain John Fleming of the first Virginia Regiment in the year 1775 for one year, and reenlisted in 1776 for three years and again reenlisted in 1777 for during the War and did serve that period. Given under my hand this 20th day of March 1795

S/ George Wily

I do hereby certify that I well knew Samuel Hubbard whilst he acted in the first Virginia Regiment as a Sergeant – the above statement of service I believe to be just.

S/ John Roney, late Lieutenant
of 3rd Virginia Regiment

[illegible] 1795

I am well assured that the within Samuel Hubbard was enlisted for the war, and that he served faithfully until he was made prisoner at the battle of Eutaw Springs [September 8, 1781] – I am clearly of opinion that he is entitled to the bounty in land allowed by this state.

Given under my hand this 20th day of October 1795
