To the Hon'ble the Speaker & Gentlemen of the house of Delegates
 The petition of Charles Hay [VAS1782], William Johnson [VAS1783], Robert Horseley [VAS1784], Meritt Magann [VAS1785], John Woodroof [VAS1786], John Brown [VAS1787], Mitchell Floyd, Thomas Smith [VAS1789], Edmund Pendleton [VAS1790], Thomas Shelden [VAS1791], George Witt [VAS1792], Pearce Wade [VAS1793], & John Guttery [VAS1794], humbly sheweth that they were Soldiers in the service of the State, and when on duty in the months of June & July last, they were seized with violent disorders which rendered them unable to continue in the Service, and were sent to recover their health at their respective homes – their disorders being such, as made the assistance of a Physician necessary whom they employed whose Acct annexed amounts to Seventeen pounds fifteen Shillings & two pence, and also £3.9.6 for attendance & Medicine on John Guttery a Soldier in the Continental Service – your petitioners humbly conceive that it just & reasonable to be reimbursed these necessary expenses, as their Sickness was occasioned by their Service for the Publick, and pray this Hon'ble House for such relief as to them shall seem reasonable, and they, as in duty bound will forever pray &c
