[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[From [Digital Library of Virginia](#)] Nelson County Legislative Petitions

[Note: This file contains an application dated February 18, 1853 filed in Nelson County Virginia by Sarah Panter aged about 88 years a resident of Nelson County who claims a bounty land entitlement based on the services of her husband Henry Panter. She alleges that he served in the revolutionary war and was inscribed on the pension list for his service in the revolution. I could find no evidence of any federal or state pension granted to a veteran by the name of Henry Panter in any of the resources available to me. The widow gives no details regarding her husband's service in the revolution. She signed her application with her mark.]
