To the Honourable the Speaker and members of the House of Delegates.

Your Petitioner Nathaniel Rogers humbly sheweth that during the late war his waggon team and driver were impressed in the service of the militia of this State and were employed in the said Service during thirty one days

That in the said militia Service he was also appointed a waggon Conductor and was in actual duty as such, during one hundred and three days. That Thomas Rogers dec'd in his life time furnished eighty pounds of bacon for the Militia of this State, to whom your Petitioner is Executor that the afore said several claims have been allowed and ascertained by the County Court of Charlotte on the 22<sup>d</sup> day of July 1786, but no Certificate or Certificates have as yet been issued for the amount thereof – either for the personal and other Services of your petitioner, or for the Bacon furnished by his Testator.

He therefore prays that the Auditor of public Accounts may be now directed to liquidate and sittle the same, and as in duty bound shall pray. N. Rogers

I appears that the Claim of Nat. Rogers was presented to the Auditor in '86 & disallowed for want of Vouchers; the Claim of Thomas Rogers seems to have been p'd. J. Pendleton
