To the Honourable Assembly of Virginia now sitting, the petition of of sundry of the Inhabitants of Kentucky humbly sheweth: that your petitioners ware employed by their Country to come out of the lower pars of Virginia & North Carolina to serve as Soldiers in defending the Country and protecting the Inhabitants of Kentucky against the depredation and cruelties of the Savages in which service we Your Petitioners ware wounded, and rendered incapable of geting our livings, and maintaining ourselves for the future. Therefore we humbly hope that you will in your great goodness & wisdom take our unhappy situation into consideration, and have such provision made for us as to render life supportable and prevent our becoming wretched and ending our days in missery and want, and Your Petitioners as in duty bound will ever pray.
