[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[From [bounty land records in the Library of Virginia](#): The following document was taken from the file indexed under the name "John Yancey" there being no separate indexed file for Gabriel Yancey.]

I do hereby Certify that Captain John Yancey enlisted in a volunteer Company raised by General Stevens in the summer of 1774 and continued therein until October 1775 when he enlisted in the minute Battalion raised in the Counties of Orange Culpepper and Fauquier and soon after marched to Williamsburg, he continued in the minute Service until Colonel Bland's [Theodoric Bland's] Regiment of Cavalry was raised when he enlisted in the troop of the late Colonel John Jamison and marched with him to the Jerseys and continued with said troop until the spring 1777, when he was appointed a Quarter Master to the 10th Virginia Regiment commanded by Colonel Edward Stevens, and continued to do the duties of that office until the spring of 1778 when he left the Service.

Given under my hand this 5th day of November 1811

S/ James Williams¹ late
Capt. 10th Va. Reg.

A handwritten signature in cursive script, appearing to read "James Williams", with a horizontal line underneath it. The signature is written in dark ink on a light background.

I also certify that Gabriel Yancey a brother of the above mentioned John Yancey enlisted in October 1777? [last digit obliterated and illegible] in the minute Battalion raised as above and continued therein until the seventh Virginia Regiment was raised in which he enlisted as a Sergeant under Captain Joseph Spencer and I have always understood and never had any doubt that he died at or near Guins Island [Gwinn's Island] while said Regiment was stationed there.
