Pumton[?] 30th[?] Nov'r 1778

This certifies that Charles Beeler of Berkley [sic: Berkeley] county Virg'a, served for some time a soldier in the 11th Virg'a Reg't under my command, during which time he behaved himself so well that he was appointed to that of a waggon Master – In which character he served fourteen months, to the satisfaction of all who knew him or had business to transact with him and it is the opinion of several Gentlemen, as well as my own, that if said Beeler have been guilty of any follies in his youth that his good and steady behaviour in the army for three years past would in a great measure atone for them.
