To the Executive of the Commonwealth of Virginia.

The Petition of Elias Reed and Sarah his wife formerly Sarah Block and Nancy Block, which said Sarah and Nancy are children and Heirs at Law of William Block dec'd who was the sole surviving brother and heir of Thomas [VAS2541] and Henry Block respectfully shew

That they are informed and believe that the said Thomas and Henry Block were soldiers in the Revolutionary War and well justly entitled to receive their bounty lands for services rendered their Country, and which as yet have never been received either by the said Thomas and Henry – their surviving brother and Heir or by your petitioners, or by any one for them or any of them – nor as far as they have information has the said claim been transferred or assigned to any one, but as they are advised and believe still resides in your Petitioners who are poor & much in want.

Your Petitioners are informed and believe that the said Thomas Block enlisted in the year 1777 in Captain Bracies [sic: Thomas Bressie R12763] company which was raised in the County of Henrico and went from thence to Portsmouth in this State and some time in the same year were transferred to Captain John Hudsons Company which belonged to the second Virginia Regiment on Continental establishment and was attached to General Muhlenburgs [sic: Peter Muhlenberg] Brigade, was engaged as a soldier in the battles of Monmouth [28 Jun 1778] and Stony Point [16 Jul 1779] and continued in the service of his Country till the end of the war. They farther represent that the [one or more lines missing at bottom of page] female Petitioners was the only Heir of his deceased brothers and they are his Heirs, and consequently entitled to succeed to his rights – their father died about three years ago, and it has been but very lately they were aware that they had any right to assert the present claim. They therefore pray that a Warrant may be granted them for such quantity of Land as under the Law they may be entitled to.

This affiant farther states that after the war was terminated the said Thomas Block came to Chesterfield County and lived until the year 1813 [undeciphered word] when he died, leaving a widow but no child or children and his widow is now dead.
