To his Excellency Governor Tazwell [sic: Tazewell]

your memorialist Francis Manuel of Surry[?] Co. Virg'a being one of the heirs of the late Anderson Bryant, James Bryant [S3051] and Bertrand Bryant [VAS2737] respectfully represents that each of said Bryants, who were his uncles on his mother's side, were regular enlisted soldiers in the Virg'a service in the Revolutionary War as he has always heard and does believe to be so. your memorialist has heard that s'd Anderson Bryant enlisted in a troop or Reg't of Draggons [sic: dragoons] and that he served thro' the war. That the s'd James Bryant was also in the regular service of the State but your memorialist [is not] informed what reg't he belonged to or the length of time he enlisted for, or was in service. That s'd Bertrand Bryant was also in s'd regular service of s'd State by enlistment, but your memorialist is not sufficiently informed to say the length of time he enlisted for, or was in service. Your memorialist prays that each of said cases may be [undeciphered word] for examination, and that the land bounty usually allowed in such cases may be granted to him and the remaining heirs of said soldiers who are the brothers & sisters of your memorialist – and your [part missing at bottom of image] ever pray.

[25 July 1835]

It appears, from the Illinois Payrolls & Muster Rolls that James Bryant was a soldier of the Illinois Reg't, enlisted March 10 1780 for the war, and that he serv'd until March 13 1783 when he was discharg'd – (see Payrolls & muster Rolls of Capt Edward Worthingtons Comp'y – from these dates of their enlistment to the 30<sup>th</sup> Nov'r 1781 – of Capt Rich'd Brashear's [Richard Brashear R12756] Comp'y

from Jan'y 1<sup>st</sup> to July 31 1782 – of Capt. Isaac Taylors Comp'y from the 1<sup>st</sup> to the 31<sup>st</sup> of august 1782 – of Capt. The names of Anderson Bryant & Bertrand Bryant do not appear on the army Register, either of the Cont'l or State line; and I have seen no proof of the term of their enlistment & service; nor any proof of their being Soldiers in the regular Army of the Revolution except that which follows

Respectfully submitted/ John H Smith Com'r &c/ August 5<sup>th</sup> 1835

In the Journal of the house of Delegates, of Nov'r 14 1789 p. 59 & 60 it appears, that Anderson Bryant presented a Petition to the General assembly, setting forth that he serv'd as a soldier in the troops, of the state, during the war of the Revolution, and by accident was prevented from applying for a settlement of the af'd for the depreciation of his pay, until the law authorizing the same had expir'd; and praying that the auditor might be directed to liquidate the same & grant certificates for the balance due him – which petition was refer'd to the Committee of claims &c. It further appears, from the Journal of the same Body that Mr. Lee Reported from the Com'tee of claims nov'r 27 1789 pages 84 & 85 of the Journal the following Resolution – “Resolved, that it is the opinion of this Committee, that the petition of anderson Bryant, praying to be allow'd his pay & depreciation, for serving from the 16<sup>th</sup> day of July in the year 1780 until the end of the late war, as a Soldier in the 3<sup>rd</sup> Reg't of light Dragoons, commanded by Col. Wm Washington, is reasonable” – which Resolution was order'd to lie on the table. It further appears, from the Journal of the same body of Dec'r 19 1789 p. 138-139 that the following Resolution was agreed to &c viz. “Resolv'd that as the muster rolls, which were some years ago obtained from the war office of the U. States, for the purpose of checking claims for military services, have been return'd, and as also the term limited by the said U. States, nothing which the several states were authoriz'd to liquidate such claims on account of the [undeciphered word] hath expir'd, the petitions of (sundry soldiers) Anderson Bryant &c ought to be refered, together with the several Resolutions thereupon, to the proper officers of the Federal government, for taking cognizance of such cases” &c &c (see Journals of the H. of De. of the above dates)

Bertrand Bryants name appears on the list of Capt. Woods Comp'y refer'd to by the claimants & mark'd “Boonney[?] & Winchester” But that list, or payroll, was made out, for services render'd before the Revolution.
