Virginia. Charlotte County to wit: [14 July 1837]

I do hereby certify, that Thomas Eubanks late of Charlotte, was a soldier of the State line of Virginia on Continental establishment in the war of the Revolution: he was drafted in the Regular service of the United States in 1776, under Capt John Brent, and after joining the Army in the earlier part of 1777, enlisted to serve for three years, and was attached to the 4<sup>th</sup> Virginia Regiment on Continental establishment, commanded by Col Lawson [Robert Lawson VAS850] & General Stephens [sic: Adam Stephen]. I know from personal knowledge, being attached to the same company & Regiment, that the said Thomas Eubanks served more than three years successively in the Continental line, and was honorably discharged. I am in the 89<sup>th</sup> year of my age, and was a soldier of the Continental army. The said Eubanks was afterwards, killed at Guilford Ct. H. [battle of Guilford Courthouse NC, 15 Mar 1781] in the Militia.

William Vaughan [S14754]

Virginia. Charlotte County to wit: [25 Oct 1837]

I do hereby Certify, that I was well acquainted with Thomas Eubanks in the Revolutionary war; and know the fact, that he was drafted in the Regular Army under Capt John Brent in 1776, and that sometime in the earlier part of 1777, he enlisted under the same officer, to serve for the term of three years, and was attached to the 4<sup>th</sup> Virginia Regiment on continental establishment, commanded by Col Lawson and General Stevens. He enlisted after joining the main Army of the north, and served the term of enlistment faithfully, and was honorably discharged from service. These facts come within my own personal knowledge, being a soldier of the Army at the time.

James Mullings [S10251]

To his Excellency the Governor of the Commonwealth of Virginia:

The Memorial of the Heirs and legal representatives of Thomas Eubanks Dec'd, late a soldier of the State line of Virginia on Continental establishment in the war of the Revolution: Respectfully sheweth:

That the said Thomas Eubanks was drafted in the Regular service of the United States in 1776, under Capt John Brent, and after joining the main Army in 1777, (the first part) he enlisted to serve for three years, and was attached to the 4<sup>th</sup> Virginia Regiment on Continental establishment, commanded by Col Lawson & General Stephens. That he served three years successively in the Continental Line, and was honorably discharged from service. All of which will appear from the accompanying certificates and evidence, herewith filed, and prayed to be taken as a part of this memorial. See name on Receipt filed.

Your Memorialists farther state, that the said Thomas Eubanks departed this life in 1781 without having drawn his Land Bounty, due from the State of Virginia; and that they are his only legal Heirs and representatives. He was killed at the battle of Guilford.

They, therefore, humbly pray to be allowed the quantity of land, to which the said Thomas Eubank was entitled to receive in his life time, pursuant to the laws of Virginia in such case made & provided – and as in duty bound, shall ever pray &c.

John Eubanks/ Sarah Williams
