[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call errors or omissions to my attention.]

Greensville County Court

George Mason, of Alabama, as the Executive to direct a warrant issued to him as sole devisee of the late Robert Mabry of Southampton County. He exhibits a copy of Major Mabry's Will – and the affidavit of Mr. John Goodrum Senr. of Greensville who was a private in Captain James Mason's Company of the 15<sup>th</sup> Regiment of Virginia Troops on Continental establishment, to prove that he served three years as a Lieutenant in that company. He also exhibits the Register's certificate to prove that no warrant ever issued from the Land Office, for the Bounty Land to which Lieutenant Mabry was entitled. He also exhibits the auditor's Certificate securing [paper damaged, text indecipherable] of the Revolutionary Army –

No one is interested in this application except the devisee himself – & I add my testimony to the highly respectable character of Mr. Goodrum.
