I William Southworth [W6141] of the county of Caroline and state of Virginia do hereby certify that I am now seventy eight years of age and have always resided in the aforesaid County, that I was engaged in the revolutionary service that I was well acquainted with John A Still who was also engaged in the same service as Orderly Sergeant and Commissary that he enlisted for the term of eighteen months and at the expiration of that term he again enlisted, for the war and remained until the close. Given under my hand this 18th day of April 1834

I William Madison [S5724] of the County of Caroline and State of Virginia do hereby certify that I am now seventy two years of age and have always resided in the County aforesaid that I was engaged in the revolutionary service that I was well acquainted with John A Still who was also engaged in the same service as orderly Sergeant and Commissary that he first enlisted for a short term at the expiration of that time he again enlisted for the war and remained until the close. Given under my hand this 18th day of April 1834

The only Heirs of John A Still, generally known as John Still, do solemnly declare in this our memorial that our father John A Still generally known as John Still was a revolutionary soldier and served until the [illegible] of the war as a regular enlisted soldier and [illegible] the said State to be entitled to land and money [for] his services, which were never received by the said Still or his Heirs, nor were they transfered or any way [undeciphered], nor did the said Still or his Heirs ever receive any part or benefit for the bounty due him for services rendered as above mentioned, given under our hand and seal this 20th day of February 1837.
Allen Still Peggy Richeson
[Caroline County]

By the request of the heirs of John A Still I here by Certify that John A Still's double [undeciphered word] was best known to me during my acquaintance with him during the revolutionary war nor did I ever know or hear him called by the name of John A Still untill I was so informed by his heirs I know the person called by the name of John A Still – in the papers prepared to draw his bounty is the same John Still that I knew in the service of of the revolutionary war as I was personally acquainted with him before the war and during the war and until the death of the said John A Still – but I know that John Still the old soldier had a son by the name of John A Still – and I think the mistake has occurred from that circumstance as the son of the said John is supposed to be dead for many years this given under my hand and seal this 2nd day of April 1838

I certify that I was well acquainted with John Still late of Caroline County from the year 1795 until his death, and that I lived in an establishment partly owned by his son [undeciphered] Still and I have written his name several times in the Books of said [undeciphered]. that I never knew him by the name of John A Still, but always by the name of John Still, that said John Still has a son, whom I knew by the name of Jno A. Still, that said John A Still left Richmond about the year 1804 or 1805 and I have not heard from since. I think it more than possible the mistake about old Mr Stills name has originated from the coincidence of his son being called John A. Still, this 2nd day of April 1838. Wm. W. Dickinson
