Petition for Bounty land.

Edward Williams – soldier.

The name of this Soldier is on the army Register. He received £19.10 the bal. of his full pay as a Soldier.

One witness proves that Edward Williams servd, in the land service of the united States; but when he enterd or how long he serv'd, the witness does not know. Another witness says that Edward Williams enlisted, about the beginning of the war, and that he continued in service until the close of it. There is no proof of the credibility of either witness. If they are of good character, the claim is well supported, for bounty land, for a service during the war. Respectfully suggest that this claim ought to be postponed for fuller proof, & further consideration.
