Bounty Land Warrant information relating to David Miller VAS674

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

[From [bounty land records in the Library of Virginia](#)]

Mr. David Miller a revolutionary Officer entered the service [one or more words too faint to discern] the year 1776 in the 5th Virginia Regiment I think in the month of January. He continued in service until the end of the War when he held the rank of a Lieutenant.

Given under my hand this 25 day of February 1810

S/ Wm Bentley, late [William Bentley]
Captain 5th Virginia Regiment

By the Books in this Office it appears that David Miller drew a warrant of 3110 2/3 acres of land for his services as a "Lieutenant of the Continental line for 7 years ending January 1783"
– No other warrant appears to have issued for the services of said Miller.
