Bounty Land Warrant information relating to John Munroe VAS786

vsl 5VA

Transcribed by Will Graves

8/6/13

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

[From [bounty land records in the Library of Virginia](#)]

I do hereby certify that John Munroe enlisted in the 5th Virginia Regiment in the year 1776 and served as a Sergeant from that time until July 1781

S/ Robt. Beale [Robert Beale], Capt.
5th Virg Regt

Captain Beale served in the 5th Virginia Regiment [several words illegibly faint] & I doubt not but what he says regarding John Munroe is right.

10th May 1790 S/ B. Ball, formerly [Burgess Ball]
Lt. Col. Comdt.

[The above are copies of the originals]

It does not appear that John Munroe has ever drawn any military bounty lands for his services in the revolutionary war.

Land Office
June 12th, 1809
