Bounty Land Warrant information relating to Nicholas Lackhouse VAS810

vsl 6VA

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

State of Illinois Monroe County

I, David Nowlin Clerk of the Circuit Court of said County, do certify that it is proven in open court, to the satisfaction of said Court, that the within named Nicholas Lackhouse was a Private in the revolutionary War in the Illinois Regiment commanded by Colonel George Rogers Clark, that he served until the Regiment was discharged and that he never received a warrant for the Bounty Land promised him, neither on the part of the United States or the State of Virginia, nor did he ever transferred his claim to it in any manner whatsoever. It is further proven that the said Nicholas Lackhouse died intestate and that the within named parties to this instrument are the only Heirs.

In testimony whereof I have hereunto subscribed my name and affixed my official seal at Waterloo this 13th day of September A.D. 1834

S/ David Nowlin, Clerk
