Pension application of Jesse Ruble [Ruble] VAS82

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

[This file refers viewers to the file of Goodrich Boush². That file contains 43 pages none of which appear to have anything to do with Jesse Ruble or Rubel except that his name might be included on a list of prisoners on page 30 of that file, but the portion of the list where his name might appear has been compromised and is not legible.]

[From [Digital Library of Virginia](#)] Frederick County Legislative Petitions

[Note: There is a reference to a petition by Jesse Ruble dated December 11, 1799 in which according to the index card summary he states that he served as a volunteer under the command of William Crawford in 1781 to repel the Indians on the frontiers. He seeks relief. The summary indicates that the file includes a deposition & certificates. Unfortunately, however, the file linked to this index card does not correspond to its description. If anyone has the petition filed by the veteran, and is willing to share it with us, we would like to post it in our database.]
