[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call errors or omissions to my attention.]

[From [bounty land records in the Library of Virginia](#)]

These are to Certify that in the year 1776 I enlisted Samuel Landrum a Soldier in Captain Faulkner's Company in the 5<sup>th</sup> Virginia Regiment of Continental troops for two years and at the expiration of that time he reenlisted for three years or during the war as Sergeant. I do not recollect which, given under my hand this 8<sup>th</sup> December 1796

S/ Wm Fowles [William Fowles] late  
a Capt. 5<sup>th</sup> Virginia Regiment

NB

I left the Army before the expiration of the three last years of Landrum's enlistment but can certify that he marched to the South with the troops destined for Charlestown [Charleston South Carolina] where I am informed he was made a prisoner at the reduction of that place [May 12, 1780]

S/ Wm Fowles

I certify that Samuel Landrum was with me a prisoner in Charlestown & remained as such until a general exchange was made when he came round with me by water to this state, and was discharged at Williamsburg.
