

Southern Campaign American Revolution Pension Statements & Rosters

OFFICERS IN THE ILLINOIS DEPARTMENT OF GEN GEORGE ROGERS CLARK BEFORE 31 DEC 1781  
Transcribed and annotated by C. Leon Harris

[The Illinois Department originated as a Virginia militia regiment to protect the western frontier from Indians. Under Gen. George Rogers Clark it conducted an expedition against the Shawnees from April through Nov 1781. The men on the following payroll were probably on that campaign. In the original table in the columns of pounds, shillings, and pence the symbol @ occurs frequently and is assumed to represent 0. It is omitted in the transcription. Names and numbers in brackets are alternative spellings and application numbers for pension and bounty land. <http://www.fold3.com/image/#24619946869>]
