CAPT. GEORGE MARKHAMS'S COMPANY OF CHESTERFIELD COUNTY VA MILITIA, SEP 1781.
Transcribed and annotated by C. Leon Harris

[In a statement in support of the pension application (S9214) of John Condrey, Aaron Haskins described the following list as a muster roll of the company of Capt. George Markham's militia company of Chesterfield County VA during a two-months tour at the time of the Siege of Yorktown (28 Sep - 19 Oct 1781). Haskins was a Sergeant in the company and apparently compiled the roll, which he presented as evidence in his own pension application (S18437; <http://www.fold3.com/image/#246122995745> et seq). The list is obviously old and much faded, and the handwriting and spelling are poor. Alternative spellings and pension applications are indicated in brackets.]
