LT. BALLARD SMITH'S CONTINENTAL INFANTRY COMPANY ATTACHED TO THE 3RD
REGIMENT OF CONTINENTAL LIGHT DRAGOONS, APRIL – JULY 1782

Transcribed and annotated by C. Leon Harris

[The original roll has three other columns on the right headed "Mustered," "Time since last Mustered, or Inlisted," and "Alterations since last Muster." The column headed "Mustered" simply repeats the soldier's name unless there is an annotation in the previous column headed "Casualties." The other two columns are both empty except that in the last column the following is repeated for George Moxley: "transf'd to 3^d Reg't. Cavalry."
