FIELD OFFICERS OF VIRGINIA IN 1776

Transcribed and annotated by C. Leon Harris

[The following list, transcribed from <http://www.fold3.com/image/#24619946940>, appears to have been made at the same time as the list of "Company Officers of the First through Ninth Regiments of the Virginia Continental Line in 1776" (<http://revwarapps.org/b53.pdf>). Entries in the last column are in different handwritings and appear to have been added after the original list was compiled.]
