The Reason of the Dates of Comissions of Several Officers being omitted is, when the Arrangement of the Brigade was settled, I was on Command in Philadelphia, and only two Copys of the Arrangement was wrote, one was given to the Comittee and General Woodford took the other, he and those Officers whose dates are not carried out are on Furlough in Virginia, and as soon as they return or a Copy of the Arrangement can be had it shall be immediately transmitted to the board of War.
