NOTES:

These large sums were in Continental Dollars, which had depreciated a thousand-fold by late 1781. The caption suggests that funds not accounted for would be deducted from the officers subsistence allowance, which was paid in hard currency (specie).

Alternative spellings of names are as follows:

Surgeon George Monroe
 Capt. John Crane
 Lt. John Scarborough
 Lt. William Eskridge
 Capt. William Lewis Lovely
 Ensign Henry Baylis
 Capt. Reuben Fields
 Capt. Nathan Lamme
