1801 List of South Carolina Pensioners payable at Office of the State Treasurer in Columbia
This document can be found <http://www.archivesindex.sc.gov/> (viewed 7/21) indexed under the name of Ann Maree.

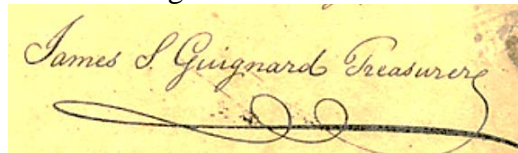

[Note: This is a partial list of the veterans and widows of deceased veterans wounded or killed in the Revolutionary War. The South Carolina Legislature awarded pensions to veterans who were wounded while serving in the South Carolina Continental Line, State Troops or Militia during the Revolutionary War as well as to widows whose husbands were killed in action during the Revolutionary War. This list appears to be of pensioners paid by the Columbia branch of the State Treasury with there being another list paid by the Charleston branch of the State Treasury. To date, I've not found the Charleston list, if one exists.]

[p 1]

The State Treasurer at Columbia begs leave to Report to the Legislature a Statement of the Transactions of the Treasury as will appear by the following references vizt.

- No. 1 Exhibits a summary Statement of the Receipts and Expenditures between the 18th day of February 1801 and the 30th day of September following, both days inclusive [not transcribed]
2. Is the Balance Sheet which proves the correctness of the Accounts in the Books of the Treasury. [not transcribed]
3. States the Amount of Taxes payable at the Treasury from each County in one year [not transcribed]
4. Is a Schedule of Arrears due the Treasury from Sundry Tax Collectors and Sheriffs [not transcribed]
5. Contains a List of Pensioners payable at said Office
6. Is in Account Current between the Treasury Office in Charleston and the Treasury at Columbia [not transcribed]

All of which is respectfully submitted by
James S Guignard Treasurer

Treasury Office
Columbia 23rd of November 1801 }

Names ¹		Districts	To What time paid
James Armstrong ²		Abbeville	to March 1801

¹ To facilitate indexing and searches, I have reversed the pensioners' name to read the first name followed by the surname. The original lists the surname first followed by the pensioners' first name.

⁵ [James Bell SC465](#)

⁶ [Benjamin Baker SC3357](#)

⁷ There is a South Carolina Audited Account file for a man by this name, but it only contains one document and it is mostly illegible as posted online. What little I can make out of the document, however, does not appear to be a claim for being wounded. See SC AA 622A. It appears to be an authorization empowering someone named Hicks, Jr. to receive the veteran's indent for six months service under Col. Mayam [sic, Hezekiah Maham]. This veteran signed the form with his mark and is marked from Marlborough County. SC3364
