¹ Except for the cover sheet which is to be found on Fold3.com: Revolutionary War Rolls: North Carolina: 1st Regiment of Militia (1780); Folder 2: <http://www.fold3.com/image/#10199459> [viewed 1/19/11], all of the actual rolls in this series are erroneously posted on Footnot.com under Folder 1 which is labeled as applying to the 1st NC Regiment of Continentals.

² In transcribing this roll, I have expanded abbreviated first names in those instances where I think the name is clear such as "William" for "Willm"; "Thomas" for "Thos."; and "Richard" for Rich'd." I have not taken the same liberty with last names and have transcribed them exactly as I perceive they were written. The roll is very faint and where I have ventured a guess as to the name, a bracketed question mark is added.
