¹ [John Johnson W5011](#)

² [Sherwood Kenneday S8779](#)

³ [John Hannon \(Hannah\) BLWt36221-160-55](#)

⁴ This is probably the same man as [Sampson Wood S42079](#) who makes reference to having served in the NC militia before joining the Continental Line.

⁵ This may be the same man as [David Umsted R10801](#)

⁶ [James Forest S1663](#)

⁷ [Daniel Merrell S7222](#)

⁸ Even though this man does not state in his application that he served under Johnston in 1780, I think it is probable that he is the same man as [James Morgan S7251](#)

⁹ [John Burgess S9295](#)

¹⁰ [Peter Groover S31717](#)

¹¹ Although his claim only contains details of his service in the Continental line beginning in 1781, I believe [Luke Vickory \(Vickery\) S1782](#) is very likely the same man listed above. In his claim, he says he was living in Randolph County, NC when he enlisted in the NC Continental Line.

¹² This MIGHT be the same man as [George Holt S7024](#)
