[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

Granville County North Carolina January 2nd 1801

Sir

I have taken the liberty to enclose to you a power of attorney respecting the lands do my brother Thomas Hogg deceased for his services in the late war with Great Britain, and to ask the favor of you to obtain a warrant for his portion thereof and either keep it in your possession killed you return to this State, or forward it to me by some earlier opportunity.

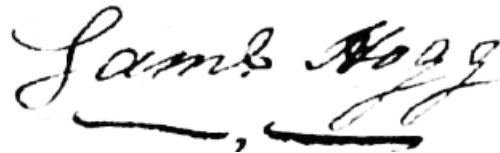

My brother Thomas held the rank of Major till about the end of the War, when he succeeded to the rank of Lieutenant Colonel, & whether he will draw agreeable to the former or latter rank will be known I presume by the records in the War Office, –

The changes which are likely to take place, as well in our domestic situation as with regard to our foreign relations for bode a pleasing prospect to the agricultural interest, and I hope all well tend to promote the welfare of every Citizen of the United States – New Tobacco has taken a rise from 18/ to 28/ [indecipherable] this appears to have been the result of news of peace with France, though nothing official on this head has reached us as yet, –

I hope Sir, that you will pardon me for the liberty which I have taken in troubling you with this business and wishing you health, prosperity & and agreeable return home, I am with great respect Sir,

your Obedient Humble Servant
