[From [bounty-land records in the Library of Virginia](#) in the file of Springer, Peter.]

I do Certify that David Holmes Surgeon of the Virginia Continental Line Entered into the Service of the  
united states on the 7<sup>th</sup> day of May 1779 and that he yet continues in actual Service  
Given under my hand this 31<sup>st</sup> day of March 1783  
John Gibson Colo [S41578]

A handwritten signature in dark ink, appearing to read "John Gibson Colo", is written over a faint, light-colored rectangular stamp or seal. The signature is slanted and somewhat cursive.
