[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

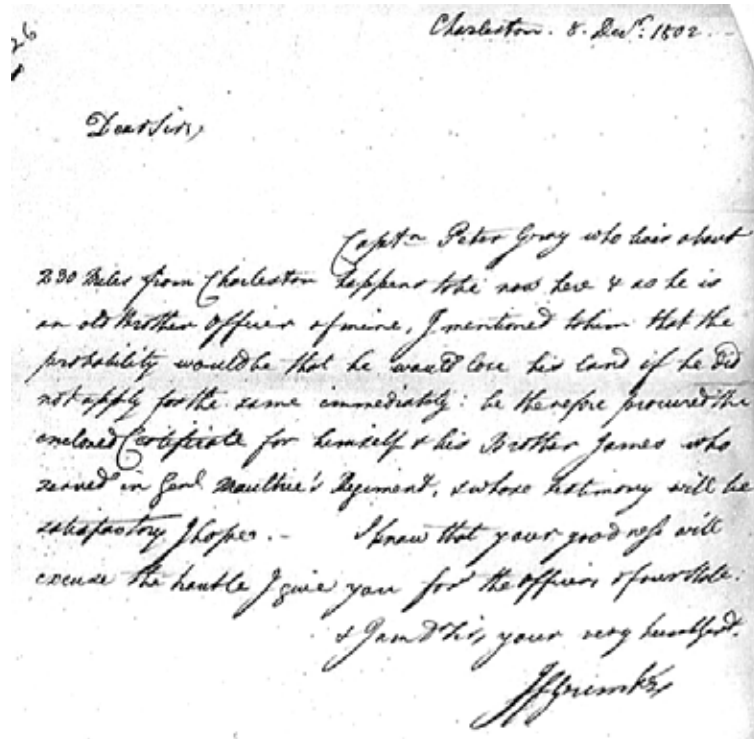

Charleston 8 December 1802

Dear Sir

Captain Peter Gray who lived about 230 miles from Charleston happens to be ~~now~~ here & as he is an old Brother officer of mine, I mentioned to him that the probability would be that he would lose his land if he did not apply for the same immediately: he therefore procured the enclosed Certificate for himself & his Brother James [Gray] who served in General Moultrie's Regiment, & whose testimony will be satisfactory I hope.

I know that your goodness will excuse the trouble I give you for the officers of our State & I am Dear Sir, your very respectful,

S/ J.F. Grimke [John Faucheraud Grimke]
