[Note: I don't know why this cover page makes reference to a file denominated "R6227"—I could find no such file in either HeritageQuest.com or Fold3.com. Evidently someone must have filed a claim relating to this veteran but the papers relating to that claim were not preserved in the file. The file contains a letter dated August 23<sup>rd</sup> 1853 sent from Louisville, KY, by Jos. B. Stewart addressed to the Commissioner of Pensions inquiring as to the status of the Commissioner's review of an affidavit sent 'some three months' earlier on behalf of John Learmonth, an heir of Capt. John Learmonth. That affidavit is not in the file.]
