Bounty Land Record of Allen McLane BLWt1474-300

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

Lee's Legion

McLane, Allen

B.L.Wt.1474-300 Capt.

no papers

[Note: The file contains the standard response letter indicating that there are no records relating to this claim as a result of the burning of the War Office in November 1800. That letter simply states that on July 25, 1789 a warrant for 300 acres of land was issued to Allen McLane a Captain in Colonel Lee's Legion for services in the Revolutionary War.]

There is an index card relating to a bounty land claim given to Allen McLane, Major 1820. Unfortunately there are no papers posted online but the index card indicates that the file contains certificates given by George Washington, Edward Roche, Lafayette, J Q Adams and other interesting looking papers. If anyone has transcripts of those documents, we would welcome the opportunity to post them in this database.]
