¹ The reason there are no surviving papers relating to this bounty land claim is that the offices of the War Department along with the papers filed there were destroyed by fire in 1800 and all pension and bounty land records predating that fire were destroyed. Further, pension and bounty land papers generated between the fire of 1800 and 1814 were lost when the British burned Washington DC on August 14, 1814.

² The South Carolina Audited Accounts (AAs) are now available online at <http://www.archivesindex.sc.gov/>. To find the AA for a specific person, click on the [Just take me to the search page](#) link, then enter the person's surname first in the "Full name" box followed by a comma and the person's Christian name. The number behind the 'pp' indicates the number of pages in the file and the 'Audited Account No.' is the actual Account Number assigned by the South Carolina Archives.
