[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

Audited Account No. 6640

[p 4]

To the Honorable the President, and the Members of the Senate –  
Gentlemen,

I am an Officer in the Second Regiment of the State of South Carolina, on the Continental Establishment, And one of those that received a wound on the 9<sup>th</sup> October 1779,<sup>3</sup> at the unfortunate Attack of Savannah, which was in a great measure deprived me of the use of my right Arm, I have not the least prospect of getting the perfect use of my fractured Limb, and shall of course be a cripple as long as I live –

By the Small number of Troops, we have in our Line, I am turned out of the Service, without any provision being made; neither have I an immediate expectation of receiving the three Years and two Months pay that is due me; And my situation will be truly distressing, unless this Honorable House will take my case into consideration, and make such provision for me, as to enable me to subsist.

This, Gentlemen, is my reason for thus addressing you, for which, I hope my disabled situation will be a Sufficient Apology: My circumstances require your immediate Assistance;
