[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

State of Georgia City of Savannah

Personally appeared before me Sheftall Sheftall¹ Esq. a native of the City of Savannah and State aforesaid aged 72 years, who being duly sworn deposeth and saith that he formerly knew Daniel Alexander Cuthbert, that he was an officer of the Revolutionary Service in the Georgia Continental Troops. That he does not distinctly recollect whether the said Daniel Alexander Cuthbert was a Lieut. or a Capt. in said Service, or weather, he belonged to the 1st or 2nd Regiment. That he never knew the said Daniel Alexander Cuthbert to have been married but believes him to have died without wife or legitimate issue. Deponent further states that the next of kin to the said Daniel Alexander Cuthbert were his brother Isaac Cuthbert, and Alfred and John A. Cuthbert, sons of a deceased brother Seth John Cuthbert. That Isaac Cuthbert, deponent knew but cannot say whether he died without wife or legitimate child, and that Alfred Cuthbert and John A Cuthbert are the nephews to the deceased Daniel Alexander Cuthbert.
