At the request of Mrs Elizabeth Jones I do hereby Certify that I became acquainted with the late Doctor Nathan Brownson while he was acting as purveyor General of Hospital Stores with Southern Army of the United States Commanded by General Green & afterwards while [he was] Govenor of Georgia [18 Aug 1781 - 3 Jan 1782] & Continued more intimately acquainted with him & his family until his death; his family consisted of a wife, a Son & Daughter the Son named Galen & the Daughter Elizabeth, the one by the last was a boy named Dunwoody and afterwards called Doctor Brownson, Galen lived with me and was a deputy in my office as Surveyor General, died without Heir & before Marriage, the Doctor died as I am informed after Marriage but without Heir.

Doctor Nathan Brownsons family, General Elberts [Samuel Elbert's] family and my own spent part of three Summers together on St. Catharines Island in Georgia. Consequently I became as well acquainted with their children as if they had been of my own family. I have known Mrs Elizabeth Jones ever since, tho sometimes being without seeing her, being absent from the States in which she lived, Carolina & Georgia. Time has changed her appearance as well as my own, but still I hold her comptely[?] within my Recolection, and have no hesitation to certify that she is the same person, as declared and acknowledged to be the Daughter of him the said Nathan Brownson
