A warrant No 1667 for 200 acres of Land issued to Jacob Deiner on 26 aug 1783.

[Copy certified 14 Nov 1837.]

[On 15 Dec 1837 heirs of Jacob Deiner made a petition for additional bounty land, not transcribed because it is less detailed than the following.]

To his Excellency the Governor of the Commonwealth of Virginia: [1 Jan 1838]

Your Memorialists state that they are the only Heirs and legal representatives of “Jacob Deiner”

late a soldier and Sergeant of the State line of Virginia on Continental establishment in the war of the Revolution:

That the said "Jacob Deiner" enlisted in the 1st Virginia regiment of Artillery on Continental establishment in the year 1777 for the term of three years, which time he served as Sergeant: that afterwards, he enlisted for the war; and served faithfully to the close of the war, and was honorably discharged from service – All of which will appear by reference to the certificate of Capt. Bohannon dated 24th August 1783 and now filed in the Executive Department.

Your Memorialists farther state, that the said "Jacob Deiner" has only drawn Land Bounty from the State of Virginia for a service of three years as a Sergeant: to wit, 200 acres of land; as will appear from the accompanying certificate of William Selden esq, Register of the Land Office.

Your Memorialists, humbly conceive, that under the laws of Virginia, they are the heirs of said "Jacob Deiner," are entitled to an additional quantity of 200 acres, on account of the enlistment and service of said "Jacob Deiner" for and during the war. Each enlistment was separate & distinct; as will appear from the certificate of Capt. Bohannon. That the said "Jacob Deiner" did serve to the close of the war, is conclusive from the fact, that your Memorialists have been allowed Land Bounty from the United States on account of the services of said "Jacob Deiner," which allowance is never made, except to those, who enlisted "for the war," and served faithfully to the close.

Your Memorialists, therefore, humbly pray that, the Executive of Virginia, will grant them an additional quantity of 200 acres, on account of the service of their late Father, the said "Jacob Deiner," as a soldier "for and during the war;" pursuant to the laws of Virginia in such case made and provided. And as in duty bound, shall ever pray &c

Christian H Deener
