[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

State of South Carolina City of Charleston

We, George Evans & Harriet O. Driscoll heirs at law of Lieutenant George Evans do, upon oath, testify and declare, to the best of our knowledge and belief, that the said George Evans did enter the service in or about 1776, for the term of the war and served as a Lieutenant in the Regiment No. __¹ under the command of Colonel Huger [Isaac Huger] & also of Colonel Marion [Francis Marion], of the South Carolina line; and that he continued in the service aforesaid until the end of the War.

We further declare that we have never received a warrant for the bounty of land promised to the said George Evans on the part of the United States; nor do we believe that he ever received it, or transferred his claim to it in any manner whatever: therefore, we pray that the said warrant may now be extended to us as his heirs at law.
