[fn p. 3 excerpt from a letter dated October 8, 1921 in response to a request for information regarding this veteran's service:

"One Reading Blount was a Captain in the 3rd NC Regiment, War of the Revolution, but there is no data on file in regard to an officer of that name other than that Bounty Land Warrant No. 289 for 400 acres issued December 21, 1795, on account of the services of Major Reading Blount of the NC Line. The papers and said claim were destroyed when the War office was burnt in November 1800."]
