Bounty Land Warrant information relating to William Bush BLWt298-200 fn8NC
Transcribed by Will Graves 10/19/10

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Also, the handwriting of the original scribes often lends itself to varying interpretations. Users of this database are urged to view the original and to make their own decision as to how to decipher what the original scribe actually wrote. Blanks appearing in the transcripts reflect blanks in the original. Folks are free to make non-commercial use this transcript in any manner they may see fit, but please extend the courtesy of acknowledging the transcriber—besides, if it turns out the transcript contains mistakes, the resulting embarrassment will fall on the transcriber. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. I welcome and encourage folks to call those and any other errors to my attention.]

Will Mr. Whetcroft be so good as to say whether the within signature¹ of Bush agrees with the signature in the vouchers on file in the 3rd Auditors's Office?

S/ J. L. Edwards, Oct. 30, 1829

On comparing the within signature of William Bush with that on file in this Office, I believe them to be written by the same person.
