Pension application of Josiah Thornton R10570

fn7SC

Transcribed by Will Graves

10/11/09

[This file contains no application. There is correspondence from the pension office to Geo. S. Houston, Representative in Congress, stating:

"The statement made by your correspondent respecting the service of Josiah Thornton deceased in the South Carolina militia, shows that he was not in actual service in an embodied military corps in field or garrison as much as 6 mos. and consequently not being entitled to a pension himself his widow has no claim."]

[The letter referred to is not in the file.]
