[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

I have heard as well as I remember that they were married by one \_\_ Moore, a justice of the peace. I have my Fathers Family Bible in which their marriage is set down as having been on the 26<sup>th</sup> day of March A.D. 1778 in my Father's handwriting. The following is the Record of the births and marriage of my parents and births of their children

John Wagle the firstborn of my Father and mother in the foregoing list died in infancy.

Isaac Wagle the third child died in this County April 3<sup>rd</sup>, 1841.

Ezekiel the fifth child died in infancy

Elizabeth the seventh child died in infancy

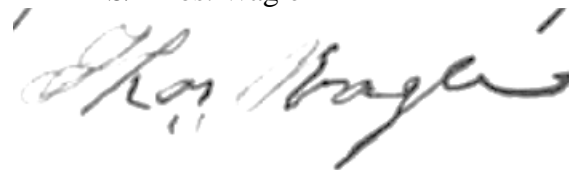

The day of the month is not set down in the birth of Ezekiel Wagle  
When my mother died she left the following named surviving and only surviving  
children: Viz.:

1. Mary intermarried with Jesse Cox. She has since died leaving at her death the following named surviving and only surviving children Viz.: John Cox, Green Cox, Ezekiel Cox, Martin Cox, Thomas W. Cox, Isaac Cox, Elizabeth intermarried with Azariah Martin, and Jemima intermarried with Hillery Shiflett; All of whom are of lawful age the youngest Jemima having been born as I find in my Bible record on the eighth day of November A.D1822. Her husband the said Jesse still survives and lives in this County as do also all of their children except Ezekiel who lives in Howard County Missouri and Martin who lives in Estill County Kentucky.
2. John Wagle who lives in Brown County Illinois
3. Thomas Wagle who lives in Madison County Kentucky
4. Lewis Wagle who lives in Estill County Kentucky

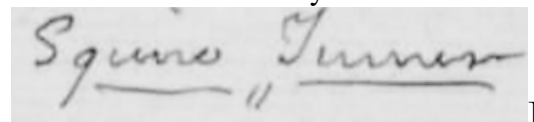

My Father the foregoing described John Wagle was a Lieutenant in the North Carolina Line in the War of the Revolution. I always heard him say he served three years. I believe that he was under Captain Hedrick [Peter Hedrick] at the least a portion of the time. I have heard him tell of being in a Battle against some Tories in North Carolina. I do not remember the place but my recollection is that it was near the Pedee River which had sworn so that the Enemy could not cross at their usual place but had to go about 10 miles up.

I have heard my Father say that he once had a discharge from his services and also other papers containing evidences or memorandum of service. These papers all got burnt after he moved to this County except one which showed a settlement with commissioners or Auditors, in which it was set down that the Government owed him £920. I do not know where that paper now is. It may be somewhere among my papers. A copy of it has heretofore been given to a man who I believe took it to Washington City his name is forgotten. My Brother Lewis I believe also gave a copy of it or some memorandum of it to Mr. C. H. Trabue in my mother's life time. I do not know of any person living by whom I can prove my fall of service, but there are many persons in this County who can testify to his reputation when living. Mrs. Mary Todd who now lives in this County the widow of Joseph Todd<sup>1</sup> deceased a relative of my mother may know something about it. My mother was a witness when she applied for a pension which I believe she is now receiving. I made this declaration as administrator of my mother's estate in behalf of my and the above enumerated children according to Law. Witness my hand in Madison County Kentucky this 5<sup>th</sup> day of July A.D. 1852.

S/ Thos. Wagle

[p 24: On July 6, 1850 2, in Madison County Kentucky Squire Turner, aged 59, gave testimony at his father, Thomas Turner, often spoke of having served with John Wagle in the revolutionary war he thinks while they both lived in Rowan County North Carolina.
