Pension Application of Samuel Darby R13662

Transcribed and annotated by C. Leon Harris.

[The file contains no application. The following report is by US District Attorney Washington G. Singleton, who investigated numerous pensioners and applicants from present West Virginia. For details see my appendix in the pension application of David W. Sleeth (S6111). Singleton wrote on the cover of his report, "Not Entitled."]

Samuel Darby, Applicant.

this man's name was not furnished by the abstract for Preston Cty. I was informed that his Declaration has been returned twice for insufficiency, I was also informed that it had been amended and would be presented a third time. I heard of this case after completing the Preston investigation. W G Brown in his agent. that single fact would be sufficient for me to require proof of service.
