[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Also, the handwriting of the original scribes often lends itself to varying interpretations. Users of this database are urged to view the original and to make their own decision as to how to decipher what the original scribe actually wrote. Blanks appearing in the transcripts reflect blanks in the original. Folks are free to make non-commercial use this transcript in any manner they may see fit, but please extend the courtesy of acknowledging the transcriber—besides, if it turns out the transcript contains mistakes, the resulting embarrassment will fall on the transcriber. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. I welcome and encourage folks to call those and any other errors to my attention.]

On this the 15th day of October in the year 1855, Personally appeared before me a Justice of the Inferior Court within & for the County & State aforesaid Daniel Carrington a resident of said State & County aged 78 years who being duly sworn according to law deposes and says. That he makes the following declaration for the purpose of obtaining the Bounty land & Pension money he may be entitled to in right of his being one of the children surviving Winney Carrington who was the widow of Timothy Carrington a Revolutionary Soldier. He declares that Timothy Carrington was a Private in the Revolutionary war. That he was drafted in the County of Wake in the State of North Carolina and served for the term of six months. That he has often heard him speak of his services as a soldier in said war. That he was at the battle of Eutaw Springs. That he married Winney King in the County of Loudoun in the State of Virginia in the month of December 1774. That they lived together as man and wife until the death of said Timothy which occurred in the month of September in the year 1824. That he never during his life applied for nor claimed any Bounty land or Pension money for his said services in said war. He further states that there has never until now been any application by the heirs of Timothy & Winney Carrington for any Bounty land or Pension money in right of the services of said Timothy in the Revolutionary war. That the facts of the marriage of the said Winney & Timothy he derived from having seen the original Family Record which was in the old family Bible, a correct copy of which he has certified to & forwarded to his attorneys to be shown the Department. That he has no record evidence of the services of said Timothy. That the original Family Record has been lost or destroyed so that he cannot now find it.
