[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Also, the handwriting of the original scribes often lends itself to varying interpretations. Users of this database are urged to view the original and to make their own decision as to how to decipher what the original scribe actually wrote. Blanks appearing in the transcripts reflect blanks in the original. Folks are free to make non-commercial use this transcript in any manner they may see fit, but please extend the courtesy of acknowledging the transcriber—besides, if it turns out the transcript contains mistakes, the resulting embarrassment will fall on the transcriber. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. I welcome and encourage folks to call those and any other errors to my attention.]

The purpose of the Act entitled ["] An Act for the relief of certain surviving officers and soldiers of the Army of the revolution" approved on the 15th May 1828, I Peter Bozeman of the County of Montgomery and the State of Alabama do hereby declare that I enlisted in the Continental line of the Army of the Revolution for and during the war and continued in the service until its termination at which period I was a private in Captain Richard Mason's Company in the second Regiment of the South Carolina line. And I also declare that I never afterwards received certificates for the reward of \$80 to which I was entitled under a resolve of Congress passed the 15th of May 1778.

And I further declare that I was not on the 15th day of May 1828 on the pension list of the United States.

Witness my hand this first day of October in the year 1828

Peter Bozeman enlisted as he now remembers in Captain Richard Mason Company of the 2nd Regiment of the South Carolina line.

He served therein until the Siege of Charleston and was with the rest of his Regiment taken prisoner when that place capitulated, he afterwards made his escape and joined Marion who was before his Colonel and continued in service during the whole war --

He never heard of his Regiment or Company after his running away from Charleston when he was a prisoner as before stated, nor was the Regiment ever embodied in South Carolina.

He was never regularly discharged nor did he ever receive any reward at least if such was the case he has now no remembrance of it. It is possible that when the Regiment was captured the roster was destroyed or it may be now in the war Department, and if there he begs that they may be examined to substantiate his statement.

[Note: I think this veteran is the same man as referred to the application of [James Neal W26574](#). However, I could not find in Neal's file the affidavit he says was given by "Peter Boazman" in support of Neal's application.
