Pension Application of Henry Isner R5501

Transcribed and annotated by C. Leon Harris

[Isner's application is not in the file, apparently having been sent to District Attorney Washington G. Singleton for his investigation of pensioners and applicants from several counties of present West Virginia. For details see pension application S6111 of David W. Sleeth. The following is Singleton's report on which he wrote "not Entitled."]

Henry Isner Applicant.

David Goff of Randolph County was present when Col. [Gideon C.] Camden examined this man with a view to getting him a Pension. - in that examination Camden ascertained that he had done no service in the Revo. war and consequently not entitled and so told him - Subsequently to this James M. Camp has written a Declaration for Isner, but whether it has been transmitted to the Pension office or not he cant tell —
