Pension Application of Justice Livingston R64

Transcribed and annotated by C. Leon Harris

Pension Office/ March 16, 1847

I certify that I have examined the claim of the Administrator of the late Justice Livingston, who was a Surgeon in the Virginia State Navy during the revolution, and served until the 25th of March 1780, when the Navy was reduced. The case is embraced by the provisions of the act of July 5, 1832; and it is my opinion that the claim should be allowed at the rate of one hundred and eighty two dollars and fifty cents per annum from the 25 of March 1780, when he left the servie, until the first of April seventeen hundred and eighty five, in which month he died. The amount is payable to Joseph Segar, administrator, and he requests that the money may be sent to him in a draft to Richmond, Virginia.

Approved/ Secretary of War.

Commissioner of Pensions.
